

## **Change - Bulky items collection - Wednesday, May 26, 2021**

---

The Municipality wishes to inform you that the bulky items collection scheduled on Tuesday, May 25<sup>th</sup> will be postponed to the following day, Wednesday, May 26, 2021.

Please position your bulky items neatly and safely at the curb the day before the collection. As a reminder, bulky items must come exclusively from domestic uses, which includes:

- Stoves
  - Refrigerators
  - Washers
  - Dryers
  - Hot water tanks
  - Tables
  - Chairs
  - Mattresses
  - Bed bases
  - Armchairs
  - Furniture
- **Please note that construction or renovation waste will not be picked up during the bulky waste collection or during the regular collection. You must either contact a contractor to dispose of it or go directly to the ecocentre.**

Remember that bulky items are by definition items that do not fit in your bin. Smaller items such as garbage bags left next to your bin are not bulky items and will not be picked up by the collection company. The same applies to items that should be disposed using collection methods such as cardboard boxes and branches or leaves. On the other hand, you can drop off most items at the regional ecocenter open from Monday to Saturday, for more information visit the MRC website at [https://mrcbm.qc.ca/en/eco\\_accueil.php](https://mrcbm.qc.ca/en/eco_accueil.php).
